Lieutenant Colonel Erin L. Hottle

United States Air Force

Lieutenant Colonel Erin L. Hottle is the commander of the Fort Jackson Military Entrance Processing Station and supports the USMEPCOM mission of evaluating applicants by applying Department of Defense standards in processing and determining eligibility for military service.

She earned her commission through the ROTC at Virginia Military Institute, Lexington, in 2007.

Lieutenant Colonel Hottle served as explosive research officer, High Explosive Research and Development Division, Air Force Research Lab, Eglin Air Force Base, Florida; deputy chief, Developmental Planning Branch, Directed Energy Directorate, Missile Defense Agency, Kirtland Air Force Base, New Mexico; synchronized pre-deployment operation tracker, Afghanistan Headquarters Defense Management Agency, Kabul, Afghanistan; chief, Commander's Action Group, Chief Systems Engineering Branch, and Program Management Division, Directed Energy Directorate, Missile Defense Agency, Kirtland Air Force Base; director of complaints resolution, Deputy Chief Analysis Branch, and deputy, Adaptive Engine Program, Air Force Life Cycle Management Center, Wright Patterson Air Force Base, Ohio; branch chief, Aviation Resource Management System, Maxwell Air Force Base, Gunter Annex, Alabama.

Her professional military education includes Air and Space Basic Course, Squadron Officer School, and Air Command and Staff College. She earned a Bachelor of Science in Chemistry from the Virginia Military Institute, Lexington; and a Master of Science in Environmental Management and Policy, American Military University, Maryland.

Lieutenant Colonel Hottle's military awards and decorations include two Meritorious Service Medals, two Joint Service Commendation Medals, the Air and Space Commendation Medal and various service, unit and personal medals and ribbons
